

# Boost Your SAT Score!

The SAT is one of the most important tests you will ever take. Your score will determine where you go to school, and can even affect your eligibility for scholarships and grants.

Educators recommend Easy-Prep® flash cards because they are a proven learning tool. Easy-Prep® offers FOUR SETS of flash cards designed specifically for students preparing for the SAT.

*SAT flash cards  
are hard to find.  
Act now to test  
your best.*

## Easy-Prep® Flash Cards Really Work

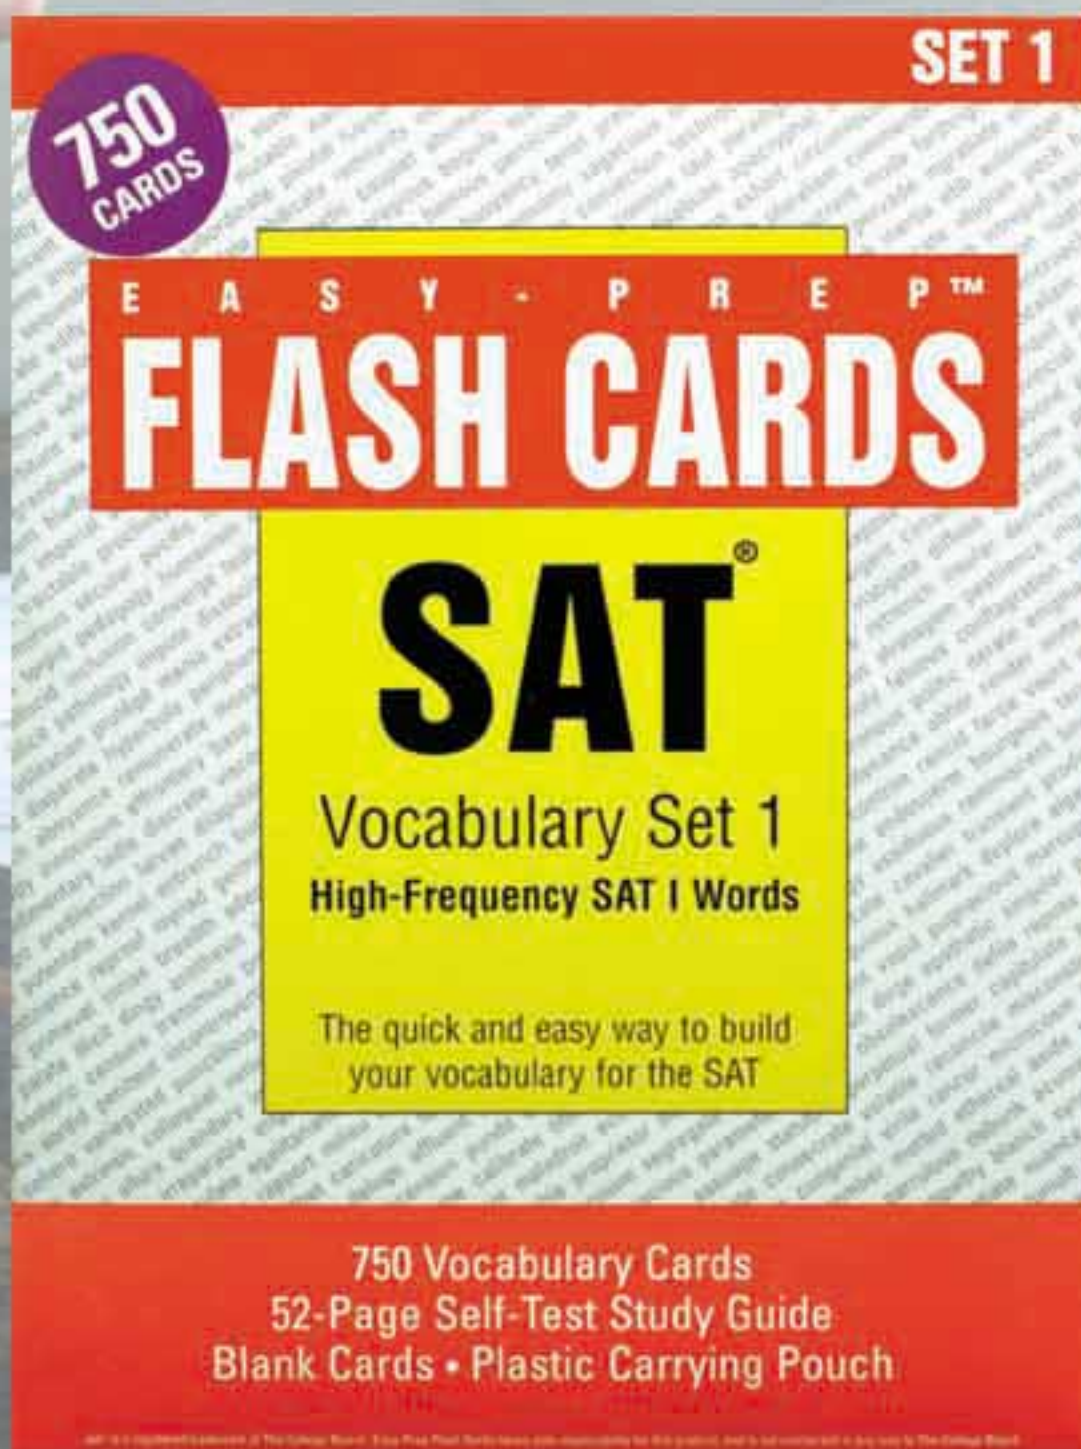

"Easy-Prep® really helped me build my vocabulary and study more effectively. I would recommend them to anyone, whether they expect to do well or think they need help preparing for their next test." -- Dylan Fox, Berkeley CA.

"Easy-Prep® flash cards helped me succeed. They are easy to use and an incredible value for the money." -- Beth Penley, Alexandria VA

"As a professional tutor, I have encouraged my students to try every option available to improve their vocabularies, and simply put, nothing has worked as well as Easy-Prep® flash cards. They are convenient, cost-effective, and readily integrated into my instructional video course." -- Michael Rosenstark, creator of DVDs4theSAT.com

### Each Easy-Prep® flash card set includes:

- ▶ 750 cards with vocabulary words from A-Z, based on actual words that have appeared frequently on the SAT
- ▶ Concise definitions, pronunciation guide and sample sentences
- ▶ A 52-page self-test study guide
